MOHAMED FAYEZ SALAMA AYESH

Front-End Developer | Computer Science Student

North Sinai, Egypt | +20 106 946 9047 | aboriash99@gmail.com
GitHub: github.com/mohamed-riash | LinkedIn: linkedin.com/in/mo7med-fayez

PROFESSIONAL PROFILE

Computer Science student at Arish University focused on building responsive, interactive, and user-friendly web interfaces. Hands-on experience developing independent projects with React, JavaScript, Tailwind CSS, and Flutter. Familiar with component-based UI development, client-side state, browser storage, API integration, and translating product ideas into practical applications. Interested in front-end and mobile development.

TECHNICAL SKILLS

Front-End	HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, Tailwind CSS, jQuery
Mobile	Dart, Flutter
Programming	Python, C++, Object-Oriented Programming (OOP)
Tools & Design	Git, GitHub, VS Code, Figma

SELECTED PROJECTS

Sinai Guide

React, JavaScript, Tailwind CSS, React Router, Leaflet, Framer Motion, PWA

Built a local discovery platform for exploring places and businesses in North Sinai, with interactive maps, place details, reviews, booking/order flows, and role-based interfaces. Implemented client-side state and service abstractions.

Wesal

React, JavaScript, Tailwind CSS, Framer Motion, Local Storage, Public APIs

Developed an interactive Islamic web application featuring Quran browsing, audio playback, Azkar counters, Hadith exploration, quizzes, bookmarks, and theme preferences.

PlayStation Management System

React, JavaScript, Vite, Tailwind CSS, React Context, Local Storage

Created a management interface for PlayStation centers with device session timers and billing, point-of-sale workflows, inventory, invoices, shift tracking, and reports.

Personal Expense Tracker (Mobile)

Flutter, Dart, BLoC, SQLite, Firebase Authentication, Cloud Firestore, fl_chart, Dio

Developed a mobile expense-tracking app with authentication, transaction management, local persistence, financial analytics, subscription-related features, and currency conversion.

EDUCATION

Bachelor's Degree in Computers and Information (in progress)
Faculty of Computers and Information, Arish University
